

GANNON

"Serving with humility"

Gannon House Day

*"My only desire is to
accomplish God's will"*

St Emilie De Vialar

Today we celebrated Gannon Day. During the week, the students have had opportunities to practise our Gannon chant and our liturgy. Today over the P.A our year six students led the remainder of our Gannon students in prayer, and our students presented their chant to their peers and teachers in their classrooms.

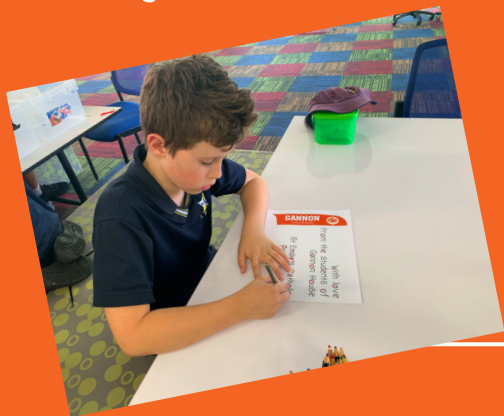

SERVING WITH HUMILITY

At lunchtime today, the year six Gannon students will assemble 'Care Packs' using the donations from our Gannon families.

These packs will be taken to Coolabaroo Childcare centre in Thornlie.

Coolabaroo is part of the Moorditch Gurlongga Association that encourages education in Aboriginal and Torres Strait Islander culture, history, language and community.

We are glad to be able to share our house motto of 'Serving with Humility' to our wider community.

As one of our year sixes summed up perfectly:

**“TEAM WORK
MAKES THE
DREAM
WORK.”**
