

LITERACY

COMPULSORY - complete all activities in this box

- Read for 10 - 20 mins each night, and complete your reading log with your parents. Don't forget to ask your parents to sign your log each night.
- Find 3 photos which you could use in your autobiography. If you have digital copies, ask a parent to airdrop them to your iPad. If they are hard copies, take a photo of them. Remember they must relate to what you are going to write about.

NUMERACY

COMPULSORY - complete all activities in this box

- Log in to your Mathletics account, and complete the activities that your teacher has set for you.
- Practice your next targeted times table from your times table challenge sheet. Can you recite the times table in order? For an extra challenge ask your parents to test you on your times tables out of order.

Religion

Try to complete as many of these activities as possible!

- List 5 ways your family has shown love to you through their actions and words.
- Create a poster that could be put up around school. Your poster should teach everyone how we can show love at school through our actions, thoughts and words.

HELPING AT HOME

Try to complete as many of these activities as possible!

- Make your bed everyday.
- Set the table for dinner or help to clear it away.
- Tidy and dust your bedroom.
- Empty the dishwasher or help to wash and dry the dishes.

WORD WORK

Complete the activities in this box

- Choose 3 spelling activities each week from the spelling activity grid, and complete them using your spelling list words.
- Find five words from your reading book which you do not know the meaning of. Write the word and its definition. Then have a go at writing each word in a sentence.

PHYSICAL ACTIVITY

See if you can complete all the activities in this box!

- See how many 'burpees' you can do in two minutes. Challenge yourself to beat this by the end of the week.
- Go to a park or oval with a parent, and see how far you can kick a football or soccer ball. Distance:
- Create a short workout routine to music which will boost your fitness levels.

TEACH YOUR FAMILY

Choose one of the activities in this box

- Teach your family about paragraphs. What are they? Why are they important? When should you start a new paragraph? Use TiP ToP to help you.
- Show a member of your family how to use the written method for addition. Then create an addition word problem for them to solve.

Japanese

You must complete this activity!

- Practice writing the Japanese Hiragana and Katakana alphabet for 10 minutes twice a week.

Science

You must complete this activity!

- Complete the 'Seek a Leak' activity from Mrs Cogger.
